

HOWARD COUNTY BRAC TASK FORCE

BASE BIT: # 1

DATE: 30 September 2011

SUBJECT(S): Lots of great meetings!

POINT OF CONTACT: Kent Menser (410-313-6521) kmenser@howardcountymd.gov

(NOTE: Over the past 5 years, our focus has been on overall Fort Meade Growth and the impacts and opportunities related to it. That said, we used the BRAC moniker in our work because of the strong brand recognition. On 15 September 2011, BRAC ended from the administrative standpoint, even though many of its consequences will continue on for years. As of 28 September, we have changed the name of the BBI from BRAC Business Initiative to BASE Business Initiative (BBI). Today, we are changing the name of BRAC BITS to BASE BITS. Additionally, we are adding a new section to BASE BITS that will advertize key job vacancies in BBI Companies. Thanks for all your support of the BBI. Kent)
